PEABODY, MASSACHUSETTS 01960

Joan Carr
Principal

JAMES J BUCKLEY, JR
SUPERINTENDENT

To The Class of 1990:

Your high school years are a special time in your life. They are years of incredible change and growth. I hope you have taken full advantage of all Peabody Veterans Memorial High School has to offer.

Your last year at PVMHS is my first year. It will be interesting to compare our perspectives of this year at graduation.

As you prepare to enter the "real world", please take the time to reflect upon the friendships you have made over the years as well as the relationships you have formed with your teachers. Both your teachers and peers have played important roles in your life.

On behalf of the entire school community, I want to wish you happiness, health, and success in the years to come.

Congratulations to the Class of 1990!

Sincerely,

Joan Carr

FOOTBALL

The Tanners Football team went 6-4 for it's second straight winning season. After an inconsistant start the blue and white won three straight versus Medford, Malden, and Cambridge. The club finished string by winning 4 of it's last 5 with the only loss coming to 9-1 Arlington team.

Pre-season expectations were high, but due to numerous injuries the Football Tanners could only hang on through the early stages of the season. However, they ended two-year droughts versus Malden and Thanksgiving Day rival Saugus by beating them in 1989.

Congratulations to the Peabody High Football Team for a great season!

The 1989 PVMHS Boys Soccer team had one of the most productive seasons ever. For the first time they beat Cambridge and Brookline, two powerhouses of the Suburban league. They missed the GBL playoffs by one point. However, they did defeat many of the top teams in the league. One of our players went to the Eastern Mass. all-Star team and four players went to the GBL All-Star team. PVMHS finished the season with a 6-5-6 record.

The highlight of the 1989 season, was a late season tie against the undefeated team of Medford. It was a show down between Joey Najim (the GBL top scorer) and Medford's top goalie. When the game ended the score was 3-3. This was the only blemish on a perfect season for Medford. The MVP of the game was goalie Bill Curtis who stopped an unbelievable two penalty shot.

Girls Soccer

This season the Peabody Girls Soccer team finished with a record of 13-1-5. This was a strong finish considering the team consisted of only three seniors. They were Jennifer Whitehead, Amanda Greene, and tri-captain Faun Sweeney, who contributed great play to the team.

This was a tough season for there were many injuries. Tri-captain Sara Driscoll was out with a broken leg, and later in the season, goalie Alison D'Abrosio broke her collar bone. This was also a season of record breaking. Tri-captain Tina Hernandez broke a single scoring record with 21 goals and 13 assists. Kerri Bishop and freshman Erin Doyle contributed to the goal scoring also. The defense was a strong part of our wining, lead by Alison Healey at sweeper and Regina Burney at stopper. Karen Mitchel was a key, in goal, averaging 1 goal a game.

The tanners finished their season making it to the League Tournament for the seventh consecutive year. The tanners hope to have a great season next year being lead by tri-captains Sara Driscoll, Tina Hernandez and Alison Healey.

Boys Cross Country

The Peabody High Boys Cross Country team is the meaning of true success. This is a team that was reborn from youth. Last year the team was made up of strong freshmen and sophmores, with only one senior and a small handful of determined juniors. Determination was the key. In the past the team suffered just a couple of losses to make the goal of champions really aggravating. Now we have the key and a team that won't stop working hard. Last year's season was the start of an amazing Triple Crown Year. This year's season had it's hard times, but we went through taking each meet at a time. The boys finished the season posting a 6-1 record, losing to the ever-tough Brookton team, but the team posted a 6-0 record in the G.B.L. Leading the team was M.V.P. Todd Croce, losing only to Medford's Dana Tardelli, Senior Matt Edwards backed up Todd in the second position sophmore Billy Guptill; junior Vic Bishop; junior Tom Magner. Also leading the boys to true success was new rookie Matt Howell; rookie Mike Voyer; sophmore Teddy Bettencourt; and senior Gary Ronkin.

Melendez, Amy Crocker, Jen Longworth, and Brenda Diluigi led the young Tanners to victory.

The team trained really hard to pull things together and they have come a long way since the beginning of the season. Their performances in the bigger meets was also laudable. A special thanks to Coaches Phil Sheridan, Tricia MacGregor, Niell Haggstrom, and Pam Berube.

SWIM TEAM

The Peabody Tanners Swim Team ended its dual meet season with a record of 3 wins and 6 losses. Everyone made improvements in their events, and the nine new members to this year's team will all return to provide added depth next season. Ahead for the team are the Greater Boston League and State Tournaments.

Departing girl's captain Robbyn Leventhal will leave with the girl's career scoring championship as a momento of her many contributions to the program.

Best wishes and thanks to all senior members of this year's swim team.

JAMES J. BUCKLEY, JR.
SUPERINTENDENT

To the Class of 1990:

It gives me great pleasure to offer my congratulations and sincere best wishes for a successful and rewarding future to the members of the Class of 1990 at Peabody Veterans Memorial High School and Peabody Vocational High School.

The academic foundation that you have acquired through your hard work will serve you well in the years ahead as you undertake future challenges. The new decade is sure to bring additional problems in the areas of the environment, human rights, global politics and world economics. I am confident that you will make significant contributions to help make life better for us all.

The Vocational School graduates have acquired specialized technical skills and knowledge that will stand them in good stead as they meet the highly technical demands of tomorrow. Secondary preparation is the foundation for additional training that will be required to remain competitive in a fast paced society.

Your instructors and I have witnessed your talents and abilities applied with increasing skill during your four years here. We are confident that you will successfully meet the demands that lie ahead and we look forward to learning of your accomplishments.

Congratulations and Good Luck!

PEABODY VOCATIONAL CLASS HISTORY

As freshmen we were winners. Our floor hockey team with Louie Passanisi and John Rae won the title. Do you remember when Randy Mello earned his wings by flying into the tool crib? Chris Stoey didn't do as well in gym on the monkey bars, however. John Rae signed up for the six year plan- maybe seven. Josh Collins and Joe Elwell almost ended up arriving very late from the rally when the mystery man and his Mercedes wanted to flatten them. Brian Lawless got dragged beneath the merry-go-round and never stopped turning. Jeff Douglas, could your senior operations have been a result of your freshman accident on the swings? Carlos Carroca certainly had strong cheeks freshman year. He got picked up by them each day as a freshman by Earl Gagnon. That's why we call him "Chubby Cheeks". That bout between Josh Collins and Randy Mello ended with one saying, "I quit" and the other one crying. Do you remember the flashing incident in the Electrical Shop, Jonathan Jalbert, Stephen Tracchea, Steve Tsoukalas, and Larry Thibodeau? The Higgins did! Jorge Alves could not remember if he was hit by that bicycle or fell off it. Jorge, was it your leg or your head that got injured? Ed Tyburc, do you remember the "blow gun" you mechanically modified? Billy Reid arrived on the scene quietly.

Our sophomore year continued our winning ways. Joel Silva, James Novick and Carlos Carroca attempted to get into the Guinness Book of Records by filling a Toyota with bodies galore. All we got was a near record number of detentions. Donald Maciejewski and Frank Quadros were electrical students during sophomore year. Bill Chouquette got scared for life on the house building project that year. Jorge Alves and Chinese food were really an explosive combination. John Russell and Thad Fulmer arrived at the Voke sophomore year. The house project lasted forever that year! We thought we'd have to be on the six year plan to finish it. When Larry Thibodeau got his license we all got a ride to lunch for a short while. Remember those unauthorized burgers tasted great, Steve Tracchea, Steve Tsoukalas, and Jonathan Jalbert? Billy Reid, did you finally get your license that year after several tries? Does anyone remember Mr. Glover? Do you remember when Mr. Glover and his class got pulled over with no license? William Chouqette saved Chris Stoey from falling. The class of 1990 remembers only one food fight. Josh Collins drove the carpentry bus through the Auto Body door. Only an accident! It did end the sophomore with a bang.

We started our junior year by spiriting Mrs. Crockers desk away. Jon Jalbert and Steve Tracchea were responsible for this winning idea. Do you remember Thad, Cliff, and Dickey held down Ed Tyburc and left him with an embarrassing bruise he had to explain to his girlfriend? A new record was made for Joel Silva, James Novick, Carlos Carroca, Don Maciejewski and Frank Quadros with help from others in shop. These sixteen hearty souls squeezed into a wagon and took it for a ride. Doug Hanson and Lou Tzortzis arrived on the scene in '88 in Auto Body. That same year, Mr. Greenwell got soaked with toilet water in shop. Luigi Passanisi started a big rumble in hockey during the Championship game. Cliff Lathrop came in for the rescue. Luigi Passanisi also worked hard in other areas and made exceptional honors that year. Doug Hanson got high honors. Edgar Gordillo arrived at the Voke as a junior in Machine Shop. The guys in Electrical Shop finally got caught leaving early. They ended the year staying late. Jeff Douglas and John Russell were the only two juniors on co-op. We had spilt a little milk that year that had caused a lot of trouble for the whole school. We had some lighter experiences during this year. Mr. Mello took us to Lowell to see newly renovated buildings. We almost saw the remake of the "Titanic". when our boat hit the dock and almost sunk. It was fun. Remember finally, Mr. Lembidakis' V.W. Rabbit that managed to hop about fifty feet in to the field. We had helped it a little.

Our senior year began our final winning season. Jorge Alves had a raising experience by being pulled up by his briefs. Mr. Lembidakis did his great parking job by hitting every wall of the Carpentry Shop trying to park the bus. Open your eyes Mr. L Jon Jalbert was looking for a job all year. Will he ever get a job? Ed Tyburc has finally managed in senior year to arrive at school on time. Bill Reid has signs he's turning into a "party animal". Jorge Alves is still the same "Jorge". The class officers, Lou Tzortzis, president, Lou Passanisi, vice president, Bill Choquette, treasurer, Chris Stoey, secretary, acted wisely and enabled the whole school to attend the pep rally. Doug Hanson's father made signs to identify shops. Thanks, Mr. Hanson. Mrs. Grczyk introduced us to clubs at the high school and we signed up for the ski club and others. Hopefully, we as seniors, will enjoy the slopes with all of you.

All of us would like to wish all of you the best future possible.
